

User interface update and additional changes

Current

The current login screen features a dark blue header with the OpSuite logo. Below the header is a light blue section with the word "Login" in white. The login form consists of two input fields: "OpSuite username" and "Password". Below these fields is a "Remember Me?" checkbox, a red "No" button, and a dark blue "Sign in" button. The footer is a dark grey bar with the text "© 2018 - Opsuite Mobile".

New

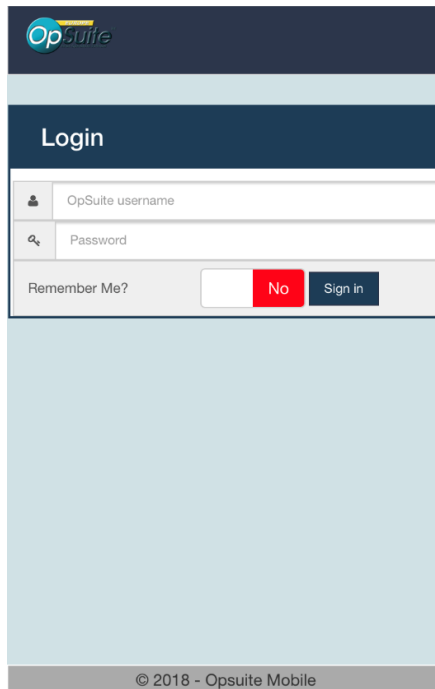

The new login screen features a blue header with the OpSuite logo. Below the header is a light grey section with the word "Login" in dark grey. The login form consists of two input fields: "OpSuite username" and "Password". Below these fields is a "Remember Me?" checkbox, a red "No" button, and a blue "Sign in" button. The footer is a dark grey bar with the text "© 2018 - Opsuite Mobile".

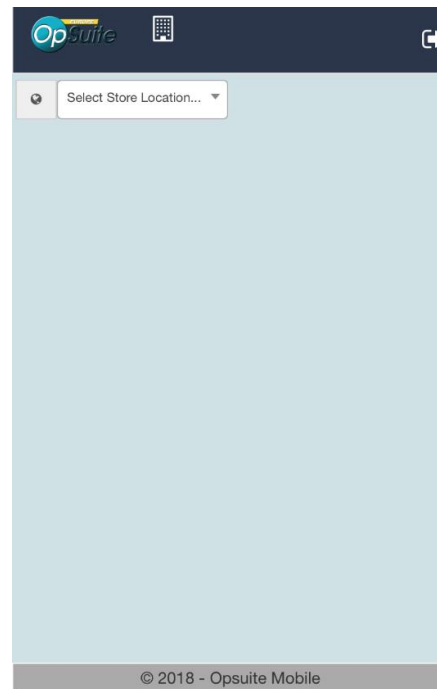

OpSuite Mobile – Changes September 2018

Logon

Current Layout

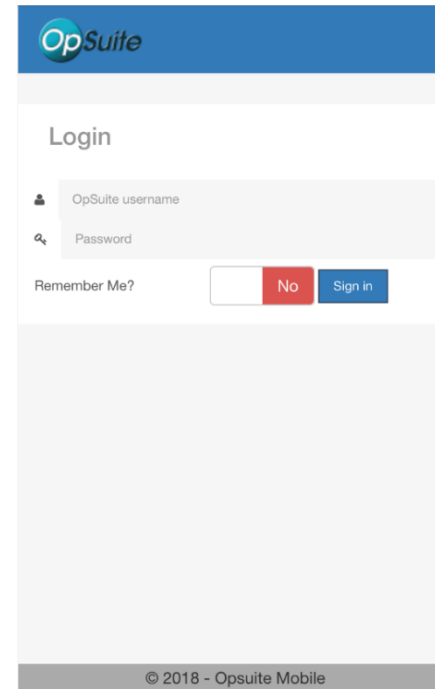

The current layout shows a dark blue header with the OpSuite logo. Below it is a light blue section with a dark blue 'Login' header. The login form includes fields for 'OpSuite username' and 'Password', a 'Remember Me?' checkbox, and 'No' and 'Sign in' buttons. The footer is grey with the copyright notice '© 2018 - Opsuite Mobile'.

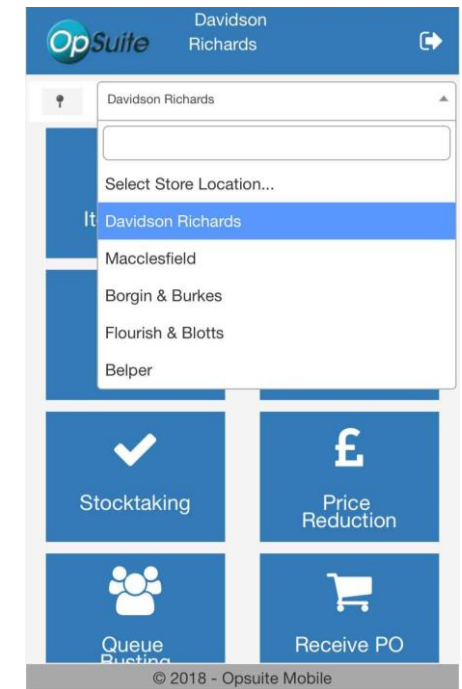

This version of the current layout includes a 'Select Store Location...' dropdown menu at the top of the light blue section, below the OpSuite logo and a keyboard icon. The rest of the layout remains the same as the previous version.

New Layout

The new layout features a blue header with the OpSuite logo. The login form is white and includes fields for 'OpSuite username' and 'Password', a 'Remember Me?' checkbox, and 'No' and 'Sign in' buttons. The footer is grey with the copyright notice '© 2018 - Opsuite Mobile'.

The new layout includes a blue header with the OpSuite logo and 'Davidson Richards' text. Below the header is a white section with a 'Select Store Location...' dropdown menu. The dropdown menu is open, showing a list of locations: 'Davidson Richards', 'Macclesfield', 'Borgin & Burkes', 'Flourish & Blotts', and 'Belper'. Below the dropdown are four blue buttons with white icons and text: 'Stocktaking', 'Price Reduction', 'Queue Busting', and 'Receive PO'. The footer is grey with the copyright notice '© 2018 - Opsuite Mobile'.

Create Transfer

Current Layout

The current layout of the 'Create Transfer' screen is divided into several sections. At the top, there's a header with the 'Opsuite' logo and a 'Warehouse' icon. Below this, a 'Create Transfer' section contains a title field (admin@biggardencentre.com 14-09-2018) and a type dropdown (Transfer In). A 'Scan' button is visible. Below the scan button, there are two red buttons: 'Respect MPQ Off' and 'FastScan Off'. A search bar with a magnifying glass icon is present. At the bottom, there are two large buttons: 'Menu' and 'Reset'. A footer shows '© 2018 - Opsuite Mobile'.

Create PO

Current Layout

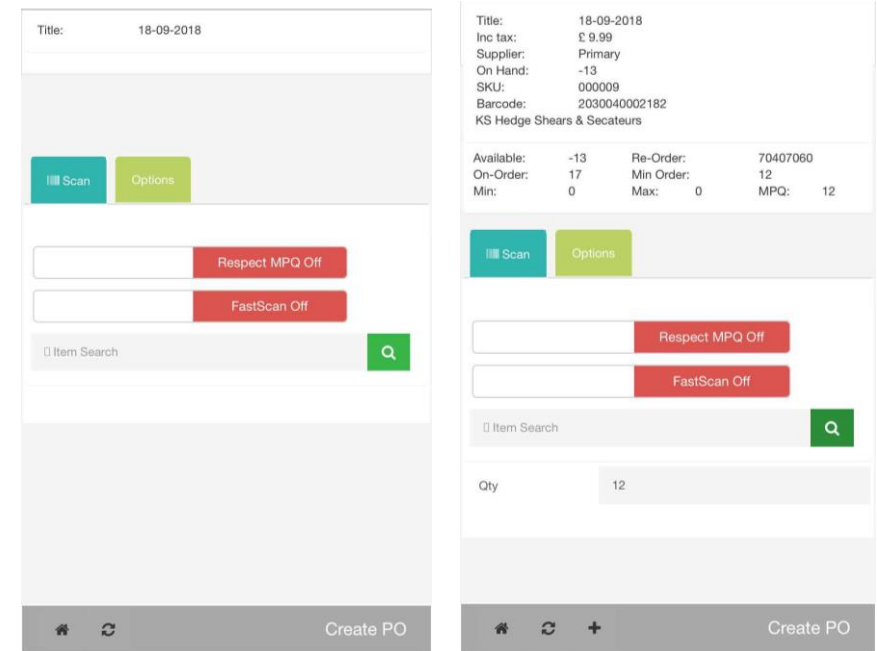

The current layout of the 'Create PO' screen is divided into two main sections. The top section, titled 'Warehouse', contains a 'Create PO' form with fields for 'Title' (21-09-2018) and 'Supplier' (Primary). Below this are 'Scan' and 'Options' buttons, followed by two red buttons: 'Respect MPQ Off' and 'FastScan Off'. A search bar labeled 'Item Search' is at the bottom of this section. The bottom section features a 'Menu' button, a 'Reset' button, and a large empty space. The footer shows '© 2018 - Opsuite Mobile'.

Changes

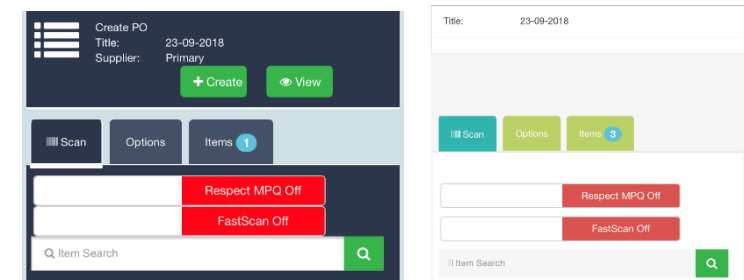

Module name, Menu and Reset are now at the bottom of the page

The Green Create and View buttons have been removed

New Layout

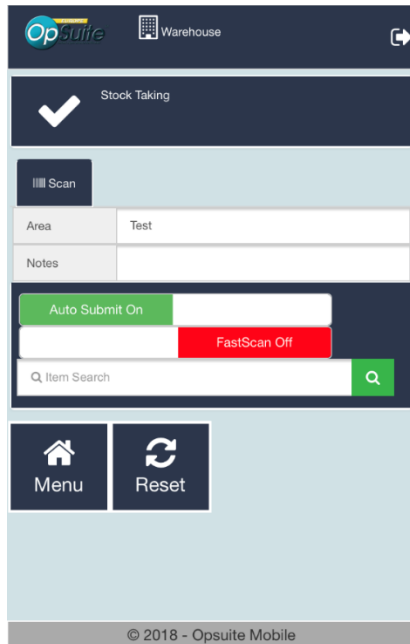

The new layout of the 'Create PO' screen is more streamlined. The top section, titled 'Title: 18-09-2018', contains a 'Supplier: Primary' field. Below this are 'Scan' and 'Options' buttons, followed by two red buttons: 'Respect MPQ Off' and 'FastScan Off'. A search bar labeled 'Item Search' is at the bottom of this section. The bottom section features a 'Menu' button, a 'Reset' button, and a large empty space. The footer shows 'Create PO'.

The new layout of the 'Create PO' screen is shown with a different title. The top section, titled 'Title: 23-09-2018', contains a 'Supplier: Primary' field. Below this are 'Scan', 'Options', and 'Items 1' buttons, followed by two red buttons: 'Respect MPQ Off' and 'FastScan Off'. A search bar labeled 'Item Search' is at the bottom of this section. The bottom section features a 'Menu' button, a 'Reset' button, and a large empty space. The footer shows 'Create PO'.

Stocktaking

Current Layout

The current layout features a dark blue header with the 'Opsuite' logo and 'Warehouse' text. Below the header is a 'Stock Taking' section with a checkmark icon. The main area contains a 'Scan' button, an 'Area' field with 'Test' entered, and a 'Notes' field. At the bottom, there are 'Auto Submit On' and 'FastScan Off' buttons, an 'Item Search' field with a magnifying glass icon, and a footer with 'Menu' and 'Reset' buttons. The footer also includes the copyright notice '© 2018 - Opsuite Mobile'.

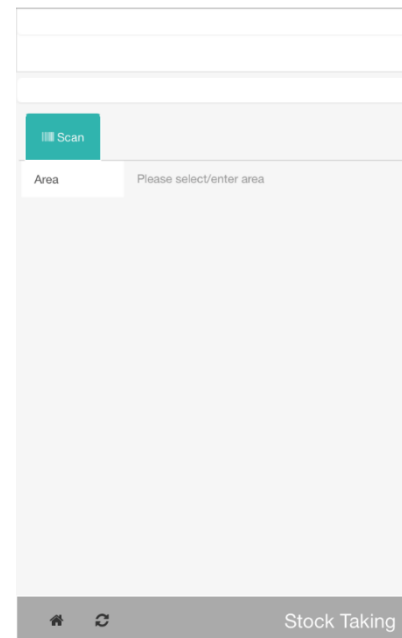

Changes

Module name, Menu and Reset are now at the bottom of the page

Add button now appears next to the Reset button when an item is scanned

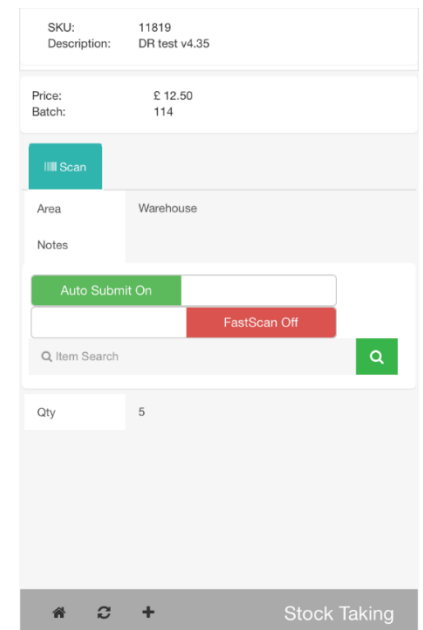

Errors have been re-designed

New Layout

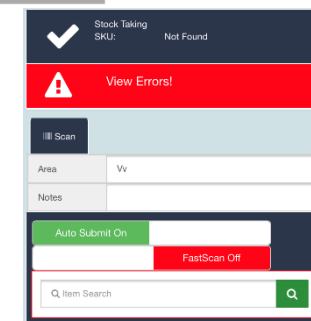

The new layout (left) features a light grey header with a 'Scan' button. Below the header is an 'Area' field with the placeholder text 'Please select/enter area'. The footer contains a 'Menu' icon, a 'Reset' icon, and the text 'Stock Taking'.

The new layout (right) features a light grey header with 'SKU: 11819' and 'Description: DR test v4.35'. Below the header is a 'Price: £ 12.50' and 'Batch: 114' section. The main area contains a 'Scan' button, an 'Area' field with 'Warehouse' entered, and a 'Notes' field. At the bottom, there are 'Auto Submit On' and 'FastScan Off' buttons, an 'Item Search' field with a magnifying glass icon, and a 'Qty' field with '5' entered. The footer contains a 'Menu' icon, a 'Reset' icon, a '+' icon, and the text 'Stock Taking'.

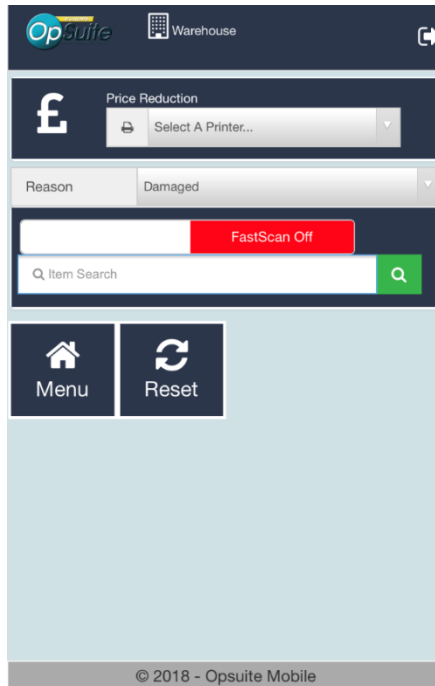

The new layout (error) features a dark blue header with a checkmark icon and 'Stock Taking SKU: Not Found'. Below the header is a red 'View Errors!' button. The main area contains a 'Scan' button, an 'Area' field with 'Vv' entered, and a 'Notes' field. At the bottom, there are 'Auto Submit On' and 'FastScan Off' buttons, an 'Item Search' field with a magnifying glass icon, and a footer with 'Menu' and 'Reset' buttons.

The new layout (not found) features a light grey header with 'SKU: Not Found'. Below the header is a red 'Item [525363] not found' message. The main area contains a 'Scan' button, an 'Area' field with 'Gg' entered, and a 'Notes' field. At the bottom, there are 'Auto Submit On' and 'FastScan Off' buttons, an 'Item Search' field with a magnifying glass icon, and a footer with 'Menu' and 'Reset' buttons.

Price Reduction

Current Layout

The current layout is a mobile app interface. At the top, there's a dark blue header with the 'Opsuite' logo and a 'Warehouse' icon. Below this is a 'Price Reduction' section with a currency symbol (£) and a 'Select A Printer...' dropdown. A 'Reason' dropdown is set to 'Damaged'. There's a 'FastScan Off' button and an 'Item Search' field with a magnifying glass icon. At the bottom, there are 'Menu' and 'Reset' buttons. The footer shows '© 2018 - Opsuite Mobile'.
